

Product Description: CurveE™ Pro 15W IP44 Fixed Baffled Downlight

Following the popularity of the CurveE™ range, the new CurveE™ Pro provides an option of a fixed or adjustable 15W version, whilst also providing a CRI90 light source meaning a superior true colour representation. These low glare downlights have a sleek baffled design with the light source recessed back to reduce glare, ideal non-fire rated solution for hospitality and residential applications in areas where fire rating is not required.
